~~Thursday, September 19, 2013~~

~~Thursday, October 24, 2013~~

~~Thursday, November 21, 2013~~

December – No Meeting

Thursday, January 23, 2014

Thursday, February 27, 2014

Thursday, March 27, 2014

Wednesday, April 30, 2014

Wednesday, May 21, 2014

****Start time – 3:15 PM – MWHS Room 602**

"Collaboration is important on the battlefield and trust is the cement of collaboration," said [General Martin] Dempsey. "And trust is the prerequisite for creativity. You will never be creative if you think that what you have to say will be discounted. So creativity cannot happen without trust, communication cannot happen without trust, and collaboration cannot happen without trust. It is the essential driver. And that is why you build authority now from the bottom up and not the top down."

Excerpt from That Used to Be Us – Thomas Friedman
